

Listen to adults.
They are here to help you.

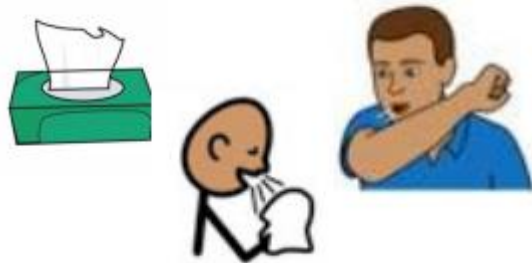

Stay in your bubble.

Keep your hands clean.
Wash them after you
touch new things.

Use the 'Snuffle Station'.
Catch the germs and bin them!

The things in your tray
belong to you.

If you feel unsure,
ask for help!

**Keep your hands clean.
Wash them after you
touch new things.**

- ✓ Classroom sinks are hand washing stations. Use them one at a time!
- ✓ Wash your hands when arriving at school, moving around the building, after going to the toilet, before and after lunch and after touching anything that others touch.
- ✓ Avoid touching your face and picking your noses!

Stay in your bubble.

- ✓ Imagine you are in a bubble! If someone gets too close, they will pop it!
- ✓ Try to maintain 2m distance between yourself and others (including teachers).
- ✓ Stay with the class group at all times. We are a big bubble!

**Listen to adults.
They are here to help you.**

- ✓ Don't touch things that you aren't allowed to touch. Can you think of some examples?
- ✓ Listen carefully to instructions.
- ✓ Use the correct toilets.
- ✓ If a door or gate is shut, we cannot open it and go through.

**Use the 'Snuffle Station'.
Catch the germs and bin them!**

- ✓ Cough or sneeze into elbow.
- ✓ Throw dirty tissues in bin.
- ✓ Use hand sanitizer or wash your hands.

**The things in your tray
belong to you.**

- ✓ Don't touch anyone else's tray or things in the classroom.
- ✓ There are some things in the classroom that we can share. If we use them, we must wash our hands. You can also help to clean them for the next person.

**If you feel unsure,
ask for help!**

- ✓ If you see something and you aren't sure if you are allowed, then ask!
- ✓ Tell an adult if you are feeling unwell.
- ✓ If you feel a weird feeling in your tummy or sad at all, then let us know!
