What hobbies do you enjoy?

I love my sport and it has always been a huge part of my life. When I have spare time, you will probably find me on the golf course. I also, enjoy running in the Buckinghamshire country side. Once, I have done all that exercise I like to bake and cook for my family.

Do you have any pets? If not what pet would you like?

No, I don't have any pets, but I always enjoy seeing and playing with Rosie Red.

What three words would describe you?

Smiley 😊, sporty, determined

What do you like best about being a Teacher at Harpenden Academy?

I'm really looking forward to having my new class and to help you all learn and grow in the things you enjoy.

What were your favourite subjects at school?

My favourite subjects were PE, Food Technology and History. Actually, I just loved PE all the time!!

What are your favourite subjects to teach?

For me it has to be PE every time as this benefits our health and can help us in other subjects too. I also enjoy teaching science because it allows us to investigate new ideas and one day one of my pupils might discover a cure for a medical mystery.

What is your favourite book and why?

My favourite book is 'The Elephant and the Bad Baby' by Elfrida Vipont, illustrated by Raymond Briggs, because my Mum used to read it to me at bed time when I was little. We used to bounce on the bed, going "rumpeta rumpeta."

What is your favourite place in the world and why?

I have done some travelling to Europe, India and Canada and I would like to visit Australia and South America. But my favourite place is at home spending time in our beautiful countryside.

What did you want to be when you were younger?

When I was younger I wanted to be a PE teacher. No surprise there! 😊

What made you want to become a Teacher?

I wanted to become a Teacher so that I can help the young people learn more about the world and especially help them to be happy at school and good people as they grow up.

What is your favourite food?

So much to choose from: curry, pasta, cooked breakfast, BBQ. I think my favourite food is my mum's roast dinners as they were one thing I missed while I was at university (and of course I missed her too).

What is your least favourite food?

I really don't like sweet potato, parsnips or mayonnaise.

Who is in your family? Do you have any brothers or sisters?

My family is very important to me. I have a Mum, a Dad, and a brother who lives and works in London. I have an Uncle and Auntie, and a cousin who live in Yorkshire. My Auntie has devoted her life to being a great primary school teacher. We will be comparing notes!

If you were on a desert island what two things would you take with you?

I would definitely take bug spray, as I always get bitten. Photos of my family as they are very important to me.
